

Problem Set 3
CHM 6461
Spring 2015, Dr. Chatfield

The due date will be Tues., Feb. 24.

1. McQuarrie 4-1. To get a sense when Boltzmann statistic breaks down.
2. McQuarrie 4-6. To be sure you understand a critical step in a derivation.
3. McQuarrie 4-7. Putting the F-D and B-E expressions to use.
4. McQuarrie 4-12. A conceptually simple problem to make principles clear.
5. McQuarrie 4-19. To build intuition.
